Activities Building To Be Dedicated

The new Activities Building is complete and the indebtedness has been removed and plans are now underway for its naming and dedication. This will take place on February 17th in connection with the basketball game scheduled with Mooresville High School. Detailed plans for the program and the persons taking part will be announced later through the Messenger and the daily papers.

Important Information For Women of Synod

Information which will be of interest to the Women of the Church in the Synod of North Carolina is being published at the request of Dr. E. E. Gillespie, President of the Board of the William Black Home.

The Board of Trustees of the William Black Home, Montreat, N. C. unanimously adopted the following recommendation of the Presbyterial Presidents, presented by Mrs. Rufus D. Wilson, President of the Women of the Church of the Synod of North Carolina.

Recommendation from Presbyterial Presidents

"In view of the small number of reservations, 57 in all, which were allotted to North Carolina under the new plan of allowment of reservations in the hotels of the Mountain Retreat Association for the Women's Training School, Montreat; and since it is necessary that the Presbyterial Presi-

Twenty-One Children Recite Catechism

On Sunday morning, January 11th, during the church service the minister made presentations of the New Testament for perfect recitations of the Child's Catechism. The ten girls from Howard Cottage who received theirs made it a clean sweep in that junior age cottage with every child having recited the catechism. Although one girl had been in the cottage less than a month, she together with her group put in extra time and made it 100 percent. Annie Louise Cottage with the girls younger than the Howard group is setting an excellent record. Eleven have received their Testament and awards for per-

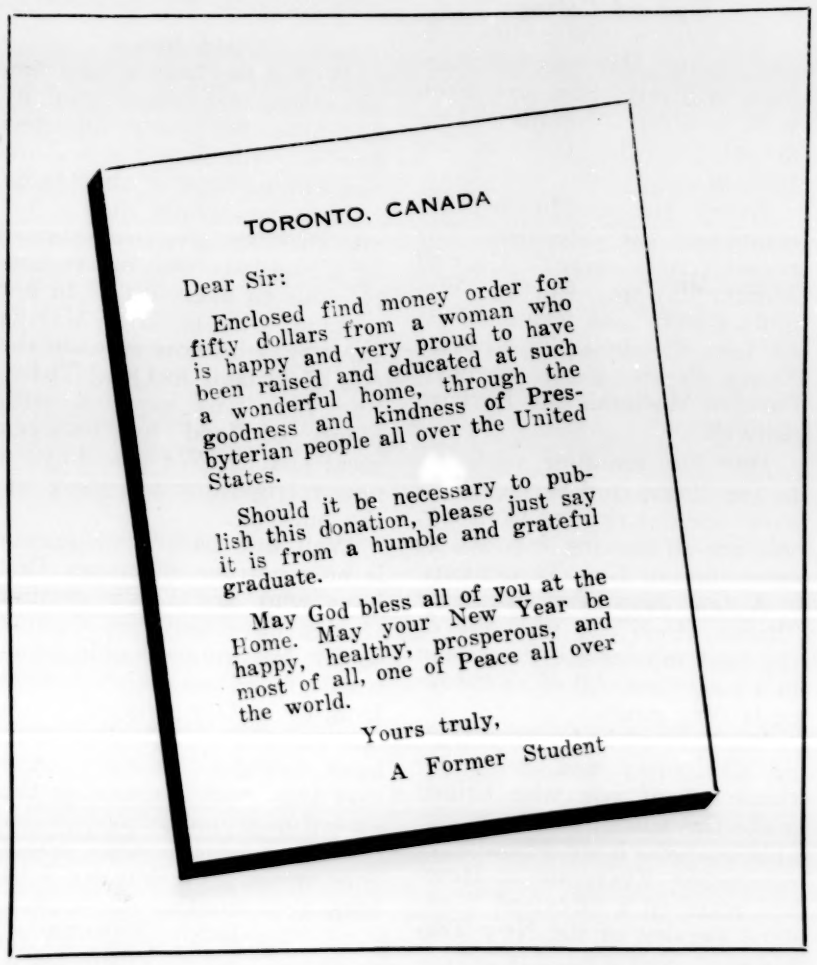
Fifty Members In The Glee Club

Fifty boys and girls of the High School under the direction of Mrs. Lee Spencer have been busy in their Glee Club practices. The principal of the school, Mr. R. G. Calhoun, announces that the Glee Club could be made available for church groups who might wish to extend an invitation. Any church or group wishing to make arrangements for the Glee Club to visit them should direct the inquiry to the superintendent or to the principal of the school.



TORONTO, CANADA

Dear Sir:

Enclosed find money order for fifty dollars from a woman who is happy and very proud to have been raised and educated at such a wonderful home, through the goodness and kindness of Presbyterian people all over the United States.

Should it be necessary to publish this donation, please just say it is from a humble and grateful graduate.

May God bless all of you at the Home. May your New Year be happy, healthy, prosperous, and most of all, one of Peace all over the world.

Yours truly,

A Former Student

Am-Vets Give Television Set

Barium received its first television set during the Christmas holidays. The Am-Vets Committee of Statesville made application to the Am-Vets National Service Foundation for the television set which is made available each year for some institution within the State. This Committee, together with State officers and their wives, were present for supper in the dining hall and Commander Paul Hester of Dunn, N. C., made the presentation. After the meal was over the guests discovered Santa Claus on the campus and

[Continued On Page Three]

Dental Program Now In Progress

The newly equipped dental room in the infirmary is the latest addition to the health program on the campus. A committee of the Dental Society in Statesville recommended that the room be established and that some special effort be made to secure a person or persons to do the work on the campus. Doctors Williams, Martin, and Lazenby, members of the committee, have given advice and counsel on the project and continue to be of great assistance in its

[Continued On Page Three]

Recent Newcomers In The Family

Additions to the big Barium family are always welcome to the campus. Recently there have been not only children but adults joining the ranks.

The Baby Cottage has had three future fullbacks added to their number in Bobby Grier, Dwight Lefler, and Tom-Ford. Synods Cottage has one new member in the family, Charles Ford, brother to Tommy, who is beginning to feel like a regular in the group. Lees Cottage got one boy, Richard McKenzie, while his brother, Melvin, joined Henry Stilwell for the Jennie Gilmer group. Howard Cottage received the lone girl in the group and Barbara Stilwell, sister to Henry, is enjoying her life with the junior age girls in her building.

The Jennie Gilmer boys are now glad to have a regular housemother of their own. Mrs. Ramsay had been substituting since the going of the Spencers and Miss Mittie Edwards since joining the staff in December has become the regular housemother at Jennie Gilmer. Mrs. J. S. Hamrick is in charge of the kitchen, serving as dietician, and Mrs. Laura Bost has joined the house-

[Continued On Page Three]

Barbara Bradshaw Back In School

It has been the feeling that the boys and girls at Barium Springs have been exceedingly fortunate in escaping disease and accident. However, one person on the campus cannot qualify for this particular blessing. Barbara Bradshaw for the past two years seems to have taken the whole load of the campus.

First she became ill and had to go to the hospital for an operation. Following the operation complications set in and a second operation was necessary. For many days she was critically ill but then began her recovery. Recuperating slowly, she returned to the campus and gradually moved back toward the side of good health with only an occasional interruption from her former trouble. In July while at home on her vacation she visited a friend in Wilmington. Stepping off the bus after attending a picture show, she made contact with an oncoming Cadillac. When the doctors had finished their examination at the hospital they discovered that in addition to bruises from head to foot there was a fractured

[Continued On Page Three]

Bountiful Christmas Season Is Enjoyed

The New Year is underway and the routine of school again takes place on the campus, but the wonder and joy of Christmas still lingers on. There is nothing like having a home away from home and that is just what Barium Springs is. In each continuing year the month of December begins without anything for Christmas on the campus or a penny in the budget to provide for the season. By December 25th the Christmas letters have been answered, the packages have rolled in through the mail, the express truck has been busy delivering boxes to the Home, and private cars have been coming with regularity to see that the joy of Christmas was assured. At the break of day on Christmas morning the little ones in the Baby Cottage, the younger children in the other buildings and the older boys and girls gather around their Christmas trees. Not only has Santa Claus left dolls, and guns and balls and bats and pistols and roller skates, sweaters and dresses and skirts, gloves and bows and arrows, football suits, tea sets, erector sets, games and puzzles, foot lockers, wrist watches, compacts, but also there is the 300 pounds of delicious turkey from a doctor in Statesville, special cakes, nuts and fruit and candies from various sources sufficient for

[Continued On Page Three]

Basketball Season Gets Underway

The boys and girls teams of the Barium High School have begun their play in the regular South Piedmont conference. Coach Archie M. Calhoun has selected his squads for the season and is working the newcomers into the teams.

Fourteen games are scheduled, seven of which will be played at Barium Springs. The complete schedule is given herewith:

January 6 - Wilkes Central - There
January 9 - Mooresville - There
January 13 - Statesville - Here
January 16 - Asheboro - Here
January 23 - Spencer - There
January 27 - Kannapolis - There
January 30 - Wilkes-Central - Here
February 3 - Statesville - There
February 6 - Kannapolis - Here
February 10 - Spencer - Here
February 13 - Lexington - There
February 17 - Mooresville - Here
February 24 - Lexington - Here
February 27 - Asheboro - There

All of the games begin at 7:00 o'clock, with the girls playing first.

Cottage News

Woman's Building

Santa came to visit our campus on December 17, in his helicopter, although many of the smaller children wondered why Santa didn't come with his reindeer Gifts were distributed to each boy and girl with their individual name on the present. Everyone of us enjoyed Santa's visit and hope that he will come to see us again next year.

On Wednesday night, December 17th the Senior Youth Fellowship presented a pageant of Christ's birth, while the choir sang the voice parts.

On Thursday night, December 18, we carried out one of our traditions by giving money to our "Give-to- Christmas Tree." This money is given each year to a person, or persons that have been chosen to receive our love gift.

Our party was given on the 19th of December by the older boys who invited the girls of their choice. Many of our girls were invited and had a splendid time.

On Tuesday before Christmas the AMVETS Society presented to Barium a television set, and another gift was given to each child. Most of our girls received books which are being read constantly. The television set is kept in use and all the girls and boys enjoy it a great deal.

Early Christmas morning, when the Christmas tree was lighted, and all the girls gathered in the living room anxiously waiting for our names to be called. Two of our senior girls gave out the presents. I surely do wish that everyone of you could have seen the glowing expression on our faces, because we were so delighted and happy with our gifts.

On Christmas night the junior and senior girls had a formal dance and invited the boys of their choice. The living room was decorated beautifully for the occasion. The boys and girls enjoyed themselves immensely.

On the following day the seniors were permitted to visit their parents for a few days before school started after the holidays. The girls returned Monday evening all satisfied and content, having visited their homes.

We are sorry to hear that John Whiting, a former Barium student, was wounded in Korea, and we hope that he will be restored to health soon.

Starting off our varsity basketball schedule in the South Piedmont Conference, we play our first game against Wilkes-Central on January 6th.

Returning to our school rooms on December 30th, we are studying hard this last semester.

To everyone of you we hope that you had a Merry Christmas, and that you will have a prosperous New Year.

—Helen Baucom

Print Shop

Hi There,

Here we are again with the print shop news. Our machines are humming to put out the January Messenger. We still have four boys on our group, Charles Smith, Charles Creech, Mirton Cox, and Everett Vest. Mr. Kyles is our boss, and a very good one at that.

We all had a very nice Christmas. Everyone got what they wanted. We thank you all for such a nice Christmas. The AMVETS gave us a television which was put at Rumple Hall under the supervision of Mrs. Ellis. The men at Fort Bragg gave us a deep freeze. Thanks a lot!

We are practicing basketball now so we don't have to work every day of the week. We don't work hard anyway.

We get our report cards soon so hope all of us will make the honor roll.

Mirton Cox and Charles Smith are getting their mailers working and also the press. Charles Creech is getting his wrapping material ready. Everett Vest will fold the papers when the time comes.

Well so long and hope to see you next month.

—The Ink Smearers.

Rumple Hall

Hello Folks,

We are back again with our news. You have not heard from us in so long I know you must be wondering what has become of us. Well, we have done an awful lot of dish washing and serving since you last heard from us.

We have had such a very nice Christmas. So many lovely gifts and eats of all kinds. We are very grateful to our many friends.

Mrs. Ellis and Mrs. Potts gave us a party. We sang Christmas Carols, played records, popped popcorn and had drinks. They gave each of us a gift. We all enjoyed it very much and appreciated it.

The past year here at Barium we have received at Christmas time a book from the AMVETS of North Carolina which live in different sections and counties. From them this year we received a TV for the home. At the present time it is at Rumple Hall, and how we enjoy it! We watch at different times and the children from other cottages come at certain times. So we are all enjoying it very much. On Saturday, Lees, Synod, Annie Louise, and others were over to watch TV. The Baby Cottage comes to see "Howdy Doody", they like it very much.

This year our give-to-Christmas gift went to a young couple with three children. He once lived at Barium Springs and is studying for the ministry. We hope it will help them in the way that they wish most.

On Christmas day a lot of visitors were on the campus to visit the children and leave gifts. One visitor came and left us cakes. We had all the cake we wanted.

The helicopter Santa came this year also. We get a big thrill seeing him come flying over us with gifts for every child. His helicopter was much larger this year. When he started to leave it almost took some of us with it.

Mr. Stowe and Mr. Belk visited us, they gave us fruits, and entertained us with some wonderful movies. It was fun, we enjoyed it so much.

Our nice Activities Building was open during the holidays. We enjoyed skating and basketball once each day.

Now we are back in school again. Report cards will soon be coming. we hope.

The new year is well on its way and we hope for all our good friends a wonderful New Year.

So long until next month.

—Rumple Hall Girls

Synods Cottage

It has been a long time since you heard from us, but we're still around and here we are bringing you the news from our cottage.

Things have really been happening around our cottage. "Santa" was real good to all of us. He brought us everything we asked for and more. "Thank you Santa."

We went to the movies to see "Robin Hood", it was real good and we appreciate the show tickets that our friends in Statesville gave us for Christmas.

Since you last heard from us we have two additions to our building. They are Forrest Spencer, who came at the first of school, and Charles Ford who came just before Christmas. We welcome them into our family and hope they will enjoy living and playing with us. We also miss Gary Clark who went to live with his mother in Baltimore. We are looking for him to come back to see us soon.

After having ten days off for Christmas it was rather hard for us to go back to school, but just think in about four months and a half we will be out for the summer. Then is when we will really have some fun, but since that is a good way off we may as well study hard, so we can learn a lot and pass our grades.

We hope you had a Merry Christmas and a Happy New Year.

—"The Wigglers"

Infirmary News

Hi There,

This has been a wonderful Christmas for everyone. All received the gift they wanted most and we want to thank you for making our Christmas a happy one.

Barbara Bradshaw is still walking on her crutches and she is very happy that now she doesn't have to lie on her back all of the time.

This year one of our girls, Shirley Shaw, was in the Christmas pageant. This was the second time for us to have a girl down here to portray as Mary.

Since we received the television set, Mamie Lou Lloyd and Elizabeth Byrd are always going to see it. They take in everything about it and you've never seen such an appreciative pair of girls.

Last but not least is the pretty Shirley Johnson. She's busy writing letters to some one over in the Philippines, wonder who, Shirl.

Oh, yes, we must mention the fact that the men at Fort Bragg gave us an enormous freezer locker. It's a real beauty too, and Miss Hoots and Mrs. Lackey will be sure to fill it with some of their delicious fruits and foods they cook.

Look for us again and if we don't forget we'll write next month.

—The Infirmary Girls

Howard Cottage

We have a new addition to our family. Her name is Barbara Stilwell. She has been with us about a month and we are glad she has come to live with us.

Every girl at Howard has completed the catechism. The recent ones were: Carol Moore, Barbara Porter, Virginia Kiser, Lois Ramey, Betty Lou Mitchell, Fay Hicks, Nancy Farris, Helen Spencer, Carolyn Wellman and Barbara Stilwell.

Our housemother took us to see "Stars and Stripes Forever" for our reward from her. We are all looking forward to receiving our New Testaments.

A few days ago we saw "Robin Hood", it was one of the best movies we have seen in a long time. All of us enjoyed it very much.

We have all had a very Merry Christmas and wish to thank all of you who helped make this Christmas an enjoyable one which we will always remember. Everyone at Howard received a "Revised Standard Version of the New Testament" from a Sunday School class in Greensboro. We use them in our devotions every night.

We will have to say good bye till next month.

—Kay Clark

Annie Louise

We are back in school again after having a good time during the holidays. We'll tell you a little of our experience.

Our good friends of the Theatre Corp., in Statesville gave each person at Barium, four movie tickets. We sure do appreciate them. We used the first to see "Robin Hood" which we really enjoyed.

A thing that we look forward to each year is a visit to Davidson College. Our friends there give us a party and a gift. We played games and had a wonderful time.

Christmas was a very merry one for all of us. You should see us playing with all of our toys. We got beautiful dolls, all kinds, and some ladies in Lincolnton sent each of us a pretty doll with real hair. We really appreciate them.

Our big Christmas tree in the dining room was unusually pretty and we too, had a pretty smaller one at our cottage.

Another of our special friends is Mr. Stowe from Belmont who came and brought gifts and movies for everyone. And others, the American Legion group came and besides the marvellous gift of a television, which we all get to see, brought separate gifts.

Some of us received checker boards for Christmas and we play checkers every day, a fad among us.

We are always glad to have friends come to see us and we had many among which were Mr. and Mrs. Barnhardt from Charlotte, who often comes and leaves us money for treats. We thank them and everyone who has done so much for us.

Quad News

Well it has been a long time since you last heard from us, but here are your reporters bringing the latest news and happenings here at the Quads.

First we would like to tell you that we have been blessed by a fine lady who has recently come to live with us in our cottage. She is Mrs. Martha Ramsay, who now stays in the end apartment in Quad Three. She keeps us supplied with plenty of food for between meal snacks. We also have a new refrigerator and stove for the building.

Well our basketball season is now getting underway. Our boys who are just getting started have not won a game so far, but we are looking forward to a successful season from them. Our girls have won one game out of the two they have played and we are sure that they will improve as the season gets underway.

Well, I guess that about does it for now but we'll be back next month.

—Leroy Norman
Jerry Williams

Juniors And Seniors Attend Career Day

Career Day held in Statesvill at Mitchell College and sponsored by the Iredell County Unit of the North Carolina Educational Association was attended by the members of the junior and senior classes of Barium.

The purpose of the day was to enable the boys and girls in the high school to have access to persons from the various vocations to discuss with them the possibilities and requirements of that vocation.

It was an all-day affair with lunch being served at the Broad Street Methodist Church. It is the consesus of the faculty and the student body of the Barium school that it is very helpful indeed to have this opportunity to take a look at many vocations or the particular vocation in which a student may be interested.

Tournament Plans Still Indefinite

Although the calendar of activities at Barium Springs has listed the Mid-Piedmont Tournament, there is still some question as to whether it will be held and what teams will participate. The new rulings for tournaments and for girls in particular make it impossible for them to enter more than one tournament during a season.

Principal R. G. Calhoun says that he plans to extend invitations to the schools to see what response they make. There may possibly be a Boys' Tournament, or there might even be both the Boys and Girls Tournament. If there is sufficient response from the invitations the Tournament will begin on February 18th.

JOHN WHITING WOUNDED

John Whiting's mother received word from the Government that John had been wounded in Korea. He is reported to have received flesh wounds in both legs from shrapnel. The most recent information on John's condition is that the wounds are not too serious and that his condition is satisfactory and he expects to be fully recovered soon.

Barbara Bradshaw

[Continued From Page One]

hip on the right side and both bones broken just above the ankle on the left leg. It was hospital and bed in Wilmington until October when she returned to Barium Springs to continue in bed at the Infirmary. After Thanksgiving the doctor put her on crutches and allowed her to put one foot on the floor. The January examination again in Wilmington revealed that one crutch could be discarded since both bones were properly healed and that locomotion with one crutch for three weeks would be satisfactory. Regular school is again the order of the day and on the first day of February the second crutch can be discarded and it is anticipated that Barbara will start out again in good health to complete, if possible, her junior year and be ready to graduate with her class in 1954.

Twenty-One Children

[Continued From Page One]

fect recitations. Congratulations are extended to the children who made the recitarions and to the housemothers who have prepared them in this work. It is an inspiring sight to see such a large group present itself for recognition in the good work accomplished by these children.

The names of those attaining this distinction are:

Carol Moore, Virginia Kiser, Lois Ramey, Barbara Porter, Faye Hicks, Betty Lou Mitchell, Nancy Farris, Helen Spencer, Carolyn Wellman, Barbara Stilwell, Judy Hamilton, Claudette Merritt, Mary J. Bolton, Patsy Porter, Evelyn Pursley, Pamela Fair, Virginia Dare Lane, Patsy Ross, Mary L. Ramey, Margaret Farris, Margaret Ramsey.

Recent Newcomers

[Continued From Page One]

mother group, assisting at the building for older girls at the present time.

Additional children and members of the staff are expected in the month of January, so that by the time February 1st arrives every nook and cranny in the smaller cottages will have been filled with children and there will be vacancies only in the Woman's Building and the Quads where the high school boys stay. Very rarely does an application come for a child of this age and these places probably will not be filled during the year.

Important Information

[Continued From Page One]

dents and District Chairmen attend this conference (since the program for District Conferences are presented and discussed then); and since the Chairman of Committees promote the program of the Church; the nine Presbyterial Presidents requested me to recommend to this body that the reservations at the William Black Home for the Women's Training School be handled by them in order that the women in positions of leadership, who are promoting the program of the Church in the Synod of North Carolina, might attend this conference."

The above Recommendation applies only to reservations for the Women's Training School. All other reservations are to be made through Mrs. C. W. Maxwell, Manager of William Black Home, 2019 Briarwood Road, Charlotte, N. C.

Am-Vets Give

[Continued From Page One]

they visited many of the cottages and distributed gifts which they had brought for the boys and girls. Mr. Doyle Rogers, chairman of the Statesville Committee and District Deputy Commander, had worked hard to make the evening a success.

The television set has been placed temporarily in Rumple Hall and the big playroom of that building has been the popular spot on the campus during the holidays. The Rumple Hall girls have played hostesses to the other cottages on the campus, inviting them over for special programs. We look forward to the day when we can have enough sets to give all the children access to the desirable children's programs.

Dental Program

[Continued From Page One]

planning.

Dr. Ralph Coffey of Morganton conceived the idea of inviting the dentists in this area who feel a particular responsibility for these boys and girls to Barium for supper and planning. This meeting resulted in the enthusiastic planning and participation of these men in the emergency program. These dentists are now in the process of screening the entire student body and will begin the middle of January with fillings and treatments. Thus one of the great needs of long standing in the Health Program is being met by the most capable and efficient men in the field of dentistry who are motivated by a sincere interest in the students of the Home.

During the first days of screening some extractions were made and the dentists were giving the little folks a piece of money after each had had his extractions. One housemother reports that two of her little fellows came in tearful; one's difficulty was that he had had a tooth pulled and the other's difficulty was that he had not had a tooth pulled and and had, therefore, missed his money.

Bountiful Christmas

[Continued From Page One]

the whole of the Christmas week.

Each boy and girl is provided for, not only with the gifts, but thoughtful persons have sent in additional money marked especially for use at Christmas time and with this the extras are added and the spending money is provided. If you doubt the goodness of people, come spend Christmas at Barium Springs and you will be amazed with the continued love and interest of people who know the real meaning of Christmas.
